- **Brief:** A webapp to shopping book, such as: search, create, update, delete book (MODERATOR), add book to cart and buy book (CUSTOMER), Ban User (ADMIN)
- **Techs:** JSP/Servlet, JDBC, HTML/CSS/JavaScript, SQL Server 2022, Postman, GitHub, NetBeans, Vim, Visual Studio Code, Tomcat
- **URL:** https://github.com/golden-egghead/book-store
- **Roles:** Leader (owner local webapp)

Technical Skills

- **Java Core** (good knowledge)
- **Spring Boot Framework with Three-Layer Architecture** (2 projects)
- **JSP/Servlets/JDBC with MVC2 Pattern** (2 projects)
- **HTML/CSS** (1 semesters)
- **C/C++** (1 semester)
- **C# .NET WinForms** (1 semester)
- **Git/GitHub** (15 projects)
- **CI/CD with Git Actions** (1 projects)
- **Maven** (5 projects)
- **JUnit** (1 project)
- **Postman** (2 projects)
- **JMeter** (1 Project)
- **MSSQL Server** (10 projects)
- **Docker** (1 projects)
- **Agile Methodologies (SCRUM)** (1 project)

Soft Skill

- **Critical Thinking:** High
- **Logical Thinking:** High
- **Ability to change & Adapt:** High
- **Teamwork:** Medium
- **Public Speaking:** Medium
- **English Reading:** Medium

Coffee Store | PRN Course | May.2023 – July.2023

- **Brief:** A WinForms Desktop App about coffee store cashier, such as: search, create, delete, update products, export invoice to txt file
- **Techs:** .NET Core, Entity Framework, SQL Server 2022, Git/GitHub
- **URL:** https://github.com/golden-egghead/coffee-store
- **Roles:** Leader (3 members)

Electric Store | PRN Course | May.2023 – July.2023

- **Brief:** A WinForms Desktop App about product management for electric store, such as: search, create, delete, update product
- **Techs:** .NET Core, Entity Framework, SQL Server 2022, Git/GitHub
- **URL:** https://github.com/golden-egghead/electric-store

Math Util Testing| SWT Course | May.2023 – July.2023

- **Brief:** A project for practice testing skills (CI/CD, TDD, DDT)
- **Techs:** Java, JUnit, Git/GitHub, Git Actions, NetBeans, Vim
- **URL:** https://github.com/golden-egghead/math-util-mvn

Upload Photos | SWT Course | May.2023 – July.2023

- **Brief:** A project for practice Load Testing skills by JMeter
- **Techs:** Spring Boot Framework, JMeter, Postman, Git/GitHub, NetBeans, Vim
- **URL:** https://github.com/golden-egghead/upload-photo-testing

HONORS/AWARDS

- SPRING-23 | **AVG 8,08**
- FALL-22 | **AVG 9,15**
- https://github.com/golden-egghead/achievements

CERTIFICATIONS

- Software Development Lifecycle **(Coursera)**
- CertNexus Certified Ethical Emerging Technologist **(Coursera)**
- Web Design for Everybody: Basics of Web Development & Coding **(Coursera)**
- Computer Communications **(Coursera)**
- Academic Skills for University Success **(Coursera)**

HOBBIES

- Research about OS Architecture
- Research about new technology
- Read book about improve productivity and work skills
